

# Hustle Bustle Dot Boxes

Connect the dots to make a box! For 2 players. Player 1 draws a line between 2 dots (no diagonals). Player 2 does the same. Continue taking turns and drawing a single line until you complete a box. When you complete a box, put your initials in it and take another turn. Whoever makes the most boxes wins.

A "jiffy" is an actual unit of time meaning 1/100th of a second.

**WACKY FACT**
